

April 10

What is the difference between
total distance traveled and

$\int_a^b v(t) dt \leftarrow$ displacement?

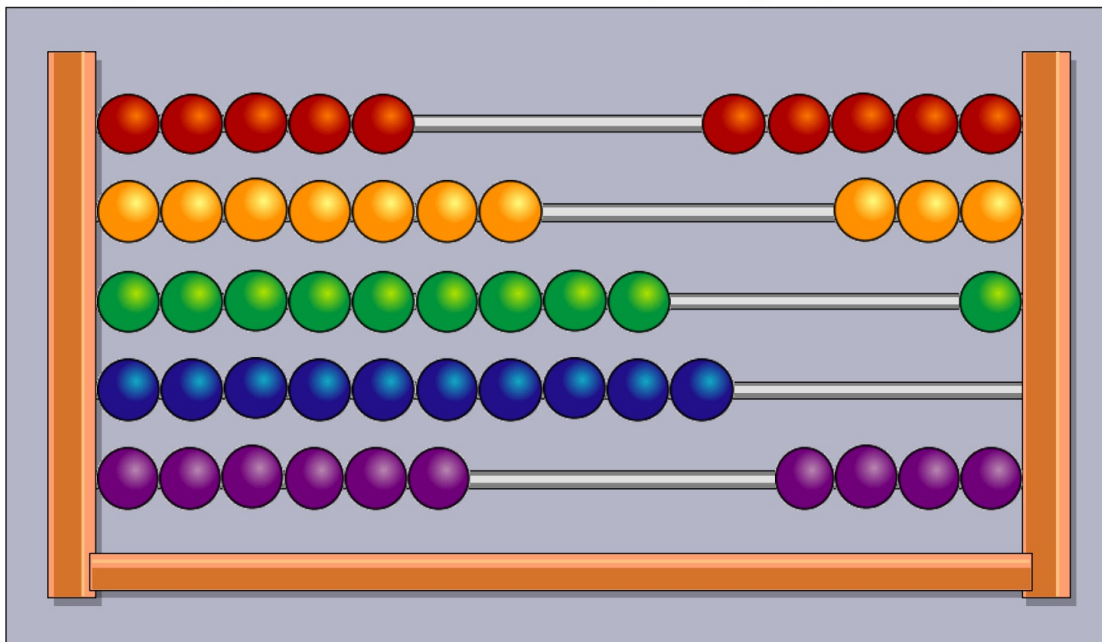

$$\int_a^b |v(t)| dt$$

April 10

Students will verbally explain how to
solve problems with calculus

(using the words: derivative, integral, solve...)

84, 86, 87, 89, 90

Saturday Session April 26th

Write down at least 5 things you need to remember when working multiple choice problems.

(What simple mistakes did you make?)

(What information did you overlook?)

(etc...)
